

JSP Bushmaster Ear Defender & Polycarbonate Visor

Product Images

Description

The JSP Bushmaster Ear Defender & Polycarbonate Visor is designed for maximum comfort and protection for users where head protection is not mandatory. The Bushmaster Ear Defender & Polycarbonate Visor is ideal for many grounds maintenance tasks as the visor will latch in the upward position when not needed and can be easily removed from the ear defenders when only hearing protection is needed

- Bushmaster™ combines high protection ear defenders, with a polycarbonate visor
- Detachable visor - visor can easily be removed to allow ear defenders be used on their own
- Locking hinge - means the visor can be flipped up and locked at a 90° angle when closer inspection of work is needed
- Padded headband and earcaps offer comfort during prolonged use
- The 200mm Polycarbonate offers protection against medium energy high speed particles at 120 m/s (270 mph), liquid droplets and molten metal
- Visor conforms to EN 166:2001.B
- Ear Defenders conform to EN352
- SNR - 30dB
