

Adam Equipment IHS Crane Scales

Product Images

Description

Solid construction with robust, die-cast metal housing and 360-degree rotational spring-loaded hooks the IHS Crane Scale offers complete flexibility and ease of use. Coupled with its internal rechargeable battery, the scale can just about go anywhere. Its display hold function lets users hold the value on the display, which can be viewed once the weight is removed. The IHS boasts a large, bright red LED display, which is easy to read in any lighting condition. For easy operation the standard remote control allows you to operate the crane safely without needing to be near the unit

- Selectable readability for different environments
- Large red LED display
- Remote control for easy operation
- Rechargeable battery for up to 150 hours of usage
- Robust metal die cast housing
