

Ansell Tri Grip Gloves

Product Images

Description

The Ansell Tri Grip Gloves are the ultimate gloves for comfort, flexibility and productivity; made from stretch broken nylon and featuring PVC polka dot palm coatings. Ansell Tri Grip Gloves have extended cuffs ensuring that the gloves consistently stay in a fixed position to avoid the annoyance of sliding cuffs while working

- 100% stretch broken nylon construction
- PVC polka dot palm coating provides secure grip without loss of dexterity
- Extended cuff ensures glove stays in consistent fixed position
- Length: 240mm
