

Dependable Site Safety Warning Signs

Product Images

Description

The Dependable Site Safety Warning Signs warns staff, contractors and visitors of the potential hazards around the building site. The Site Safety Warning Signs are available in a variety of materials and can be custom ordered to best suit the user's needs

- Warns staff, contractors and visitors of a user's building site that dangerous work is underway
- All signs available as standard in 1200mm x 800mm, but can be made to any size to best suit the user's needs
- Plastic and Composite Aluminium signs are laminated with a long life film to prevent fading caused by weather conditions and sunlight. This is recommended if sign is to be used outdoors, long-term
