

Sioen Etna Hi-Vis Rain Coveralls

Product Images

Description

The Sioen Etna Hi-Vis Rain Coveralls features a fixed hood to keep you protected from the rain and wind. Designed with Flexothane fabric, the Etna Coverall also provides protection against liquid chemicals. Highly functional whilst still being comfortable, the Etna Hi-Vis Coverall has an elasticated waist and leg ends that can be narrowed with press studs

- High frequency welded seams
