

Mascot Accelerate Climascot Jackets

Product Images

Description

The Mascot Accelerate Jacket has been designed with unique Climascot insulation, which guarantees warmth without added bulk. The Accelerate Jacket is a functional yet stylish choice, with stretch fabric at the sides to provide additional freedom of movement, and an internal storm flap

- Water repellent
- Reflectors allow for extra visibility
- Detachable ID card holder
- Front and chest pockets with zips
- Adjustable elastic drawing at waist
- Great option as an insulating middle layer due to low density and unique composition
