

Pelstor Side Opening Tambour Cupboards

Product Images

Description

The Pelstor Side Opening Tambour Units are unlike conventional cupboards in that they have no doors that open outwards. The Pelstor Tambour Cupboards are designed to maximise storage capacity and office space.

- Units fitted with finger grip handles and locking with 2 keys
- Two point locking system
- Tambour doors retract into the cupboard side, needing less space
- Cupboards supplied empty
- Shelves and filing frames ordered separately
- Size 1000mm Wide x 486mm Deep and comes in a wide variety of heights
- Available in six colours
- Lockable and comes with 2 keys
