

Reliance HSE Boxed Dressing

Product Images

Description

The Reliance Medical HSE Dressings are sterile dressings complete with conforming stretch bandage, ideal for almost all first aid situations.

- Contains a sterile, non-adherent pad to place over the wound
- Long conforming bandage to secure dressing in place
- Individually wrapped to ensure sterility
- HSE compliant, can be used to refill HSE first aid kits
- Available in medium and large

We stock a wide range of Reliance Medical first aid products and offer free delivery on all orders over €50
