

Reliance Sterile Dressings Boxed

Product Images

Description

The Reliance Sterile Dressings are low adherent sterile wound pads with a soft, gentle stretch conforming bandage. The standard dressings are often found in the HSE first aid kits as they are approved for mandatory first aid kits, and have replaced the traditional harsh and unyielding white open weave

- Low adherent sterile wound pad
- Soft conforming bandage replaces traditional white open weave material
- Available in 4 sizes
- Choice of boxed or unboxed
- Approved for mandatory first aid kits
