

Superior Microdenier Cleanroom Wipes

Product Images

Description

The Superior Microdenier Cleanroom Wipes are engineered for the most critical cleanroom applications. The Microdenier Cleanroom Wipes ensure low particle generation and no static build-up. With excellent absorbency and strong chemical and abrasion resistance, the ultra-fine structure of the 0.13 Microdenier guarantees thorough cleaning of any surface

- Ultra-clean wipe with extremely low particulate and excellent absorbency properties
- Smooth texture is perfect for cleaning optics and lenses
- Extremely low NVR and ionics
- Strong chemical and abrasion resistance
- Excellent tensile, tear and bursting strengths
- Laundered and double bagged in a Class 10 Cleanroom
