

Superior Polycellulose Wipes

Product Images

Description

Super-absorbent, non-woven, cleanroom wipe, with extremely low particulate generation and ultra-purity. Soft but tough, will not scratch surfaces when used whether wet or dry. Low in soluble extractables and metallic ions while able to absorb four times its own weight

- Ideal as a general purpose cleanroom wipe
- Ultra-low particle generation and chemical extractables
- Excellent tensile, tear and bursting strengths
- Super-absorbent, non-woven wipe absorbs up to four times its own weight
- Manufactured using advanced hydro-entanglement technology
- Cleanroom packed and double bagged
- 85104: Pack 1200
- 85107: Pack 300
- 85109: Pack 300
- 85112: Pack 150
- 85118: Pack 75
