

Texwipe ThermaSeal 60 Dry Wipes

Product Images

Description

Texwipe's ThermaSeal™ 60 Dry Wipes have been designed for solution application, cleaning and spill control. Constructed from 100% polyester, the ThermaSeal™ 60 Dry Wipes have been cleanroom laundered and boast a sealed edge, providing low levels of ions and NVRs and making them the perfect choice for use in critical cleanroom environments

- Sealed-edge, lightweight, 100% polyester dry wipes
- Autoclave safe
- Abrasion and snag resistant
- Excellent chemical resistance
- Individually lot coded for traceability and quality control
- Ideal for solution application, cleaning and spill control
- Great for cleaning and wiping parts, equipment and surfaces
- Perfect for use with solvents such as IPA, ethanol, acetone and degreasers
- TX2064 contains two inner bags of 150 wipes
