

Alpha Solway Flow P3 Respirators - Pack of 10

Product Images

Description

The Alpha Solway Flow P3 Respirator has been designed to improve comfort and performance while maintaining a secure fit. The distinctive grey colour of the Alpha Solway Flow P3 Respirators allows for easy identification in areas where varying levels of protection may be required

- Polypropylene shell and outer layer
- Woven elastic headstrap
- Synthetic rubber valve membrane
- PVC foam inner face seal
- P3 level protection
- Filters up to 98% of incoming air
- Large surface area ensures breathing resistance
- Exhalation valve reduces heat and moisture build-up
- Colour-coded alpha-mesh for ease of identification
- Adjustable headstrap for secure, comfortable fit
- Pre-formed nosebridge eliminates need for adjustment
- Compatible with a wide range of safety eyewear
- Metal-free - suitable for food industry applications
- Conforms to EN 149:2001 & A1:2009
- FFP3 NR
- Pack of 10
