

# Scafftag Blue Book Scaffolding Recording System

## Product Images

---

## Description

---

The Blue Book collects together all the elements you need to manage scaffolding systems in one, easy reference, loose leaf binder

### Section 1:

- Details the components available within the Scafftag® Scaffolding Safety Management System, so you are always aware of the minimum safety requirements. It also contains details of legislation and standards

### Section 2:

- Handover Certificates that confirm a scaffold is safe and ready to use

### Section 3:

- Contains Inspection Reports which should be completed at every inspection

### Section 4:

- Contains Fault Notification forms advising of details of any faults

Riverside Commercial Estate, T: 455 91 745 150  
Galway, H91 X4DK, E: sales@safetydirect.ie  
Ireland. W: www.safetydirect.ie

- Inspection datasheets, providing vital safety information and spare standard Scafftag® Scaffold System inserts, are stored in the handy plastic pockets on the inside covers of the Blue Book
