

Simco-Ion Ionizing Air Blower

Product Images

Description

To control electrostatic charges in sensitive electronics assembly and automated tool applications requiring stable operation with fast discharge time performance

- Compact size: 3 7/8" W x 5 3/8" H x 2 3/8" D
- 6 stainless steel emitters
- Optional articulated arm kit available (5051141)
- Auto-adjust DOCCTM technology
- Daisy-chain 3 units from 1 modular power supply
- Colour: White
- Simco 4011426 minION2 includes 230VAC to 24VDC power supply for use in Continental Europe
- Compact size: 3 7/8" W x 5 3/8" H x 2 3/8" D
