

Irwin Record Bench Vice

Product Images

Description

The Record Bench Vice is rigid and robust, with a body and sliding jaw that have been cast from close grained iron which is machined on all friction surfaces for a smooth, reliable action. These bench vices are ideal for light to medium duty applications and come in a range of sizes

- Ideal for light to medium duty applications
- High quality grey iron castings designed to withstand distortion under pressure
- Smooth, dependable action by long barrelled, unbreakable nut dovetailed into body
- Perfect alignment of main screw and nut reduces wear and gives trouble-free service
