

Carpenter MFG. Co Magnet Stripper Wheels

Product Images

Description

The Carpenter Wire Brush Wheels are ideally suited for the Carpenter Magnet Wire Stripper

- Wire brush wheels are used for rapid insulation removal on large wires

The Carpenter Nylon Brush Wheels are used with the Carpenter Magnet Stripper

- Nylon brush wheels comb out braided or wrapped shielding on co-axial cables

The Carpenter Fibre Glass Wheels are compatible with the Magnet Wire Stripper which can be used for stripping all types of film insulation

- The Fibre Glass Wheels provide a smoother finish on the stripped surface
