Product Images

Description

The Justrite Notrax 166 Guzzler Matting is a heavy duty carpet mat, ideal for use in a various indoor areas. The rubber reinforced borders and backing of the 166 Guzzler Matting provide optimum strength, whilst the raised waffle pattern is effective at removing and trapping dirt and moisture

- High performing dust control matting
- Capable of holding 6 litres of water per square metre
- Cleated backing minimizes movement on all surfaces and keeps mat elevated to allow wet hard floors underneath to dry
- Recommended for placement inside entrances in schools, universities, public buildings, sports facilities, shopping centres
- Material: Decalon yarns
- Overall thickness: 10.5mm
- 2.5cm rubber border on all sides
- Fire rating: EN13501
- Charcoal Grey Colour
