

Justrite Notrax 417 Bubble Sof-Tred Matting

Product Images

Description

The Justrite Notrax 417 Bubble Sof-Tred Matting is medium duty matting, ideal for use in a variety of environments (dry areas). All four sides of the matting are bevelled and sealed, minimizing tripping hazards. As well as offering exceptional worker comfort, the ergonomic bubble surface of the Notrax 417 Matting also features a protective layer of Dyna-Shield, which helps extend service life
