

Elten Renzo Gore-Tex ESD Safety Boots

Product Images

Description

The Elten Renzo Gore-Tex ESD Safety Boots are ESD safe and suitable for working in areas subject to electrostatic discharge and in electrostatic protected areas. The Renzo Gore-Tex ESD Safety Boots are made with a GORE-TEX membrane lining, designed to prevent water from entering into the shoe and to ensure feet are kept warm and dry. The Renzo Gore-Tex ESD Safety Boots are versatile boots with an impressive range of technical features to suit the wearers needs in any work environment. Made from cowhide leather, featuring a steel midsole and steel toe cap the Elten Renzo Gore-Tex ESD Safety Shoes are built to perform to high safety standards
