

WRP Nitrile 12" Gloves - Case 1,000

Product Images

Description

WRP Powder-Free Nitrile 12" Blue Gloves are made from 100% Nitrile which eliminates allergic reactions associated with latex. These gloves are made with a longer cuff to ensure greater protection and a more secure fit

- Low particulate synthetic material with very high puncture resistance
- Strong, light and extremely comfortable
- Very low ionic extractables and particulate count
- 100% Nitrile which eliminates allergic reactions associated with latex
- Longer cuff ensures greater protection and a more secure fit
- Excellent inherent ESD properties
- Powder-free
