

Knipex Waterpump Pliers with Groove Joint

Product Images

Description

Chrome plated waterpump pliers with non-slip joint groove joint

- Easy, convenient engagement in 5 different positions due to milled tongue
- Self-locking on pipes and nuts to ensure no slipping on the workpiece and low hand force required
- Jaw profile designed to fit screws and nuts
- Joint design reduces strain of the centre bolt, hence no wear on pivot
- Guard prevents operators' fingers being pinched
- Gripping surfaces with special hardened teeth, teeth hardness approx. 61 HRC for tool length
- 250 mm: high wear resistance and stable gripping
- Chrome vanadium electric steel, forged, oil-hardened
