## Description

---

**SAFETY**  
**DIRECT**

The Elite Lockers Hazardous Sloping Top can be used in conjunction with the Elite Lockers Flammable Storage Cabinets. Ideal for high intensity work environments, the Sloping Top ensures no items can sit on top of the cabinet and risk restricting access to chemicals

- Suitable for use with the 915MM wide Hazardous Flammable Storage Cabinets
- Powder coated paint finish in hi-vis yellow
- Cabinet sold separately
- 150mm x 915mm x 457mm (H x W x D)
