

3M Versaflo Pre-Filter TR-600 - Pack of 10

Product Images

Description

The 3M Versaflo Pre-Filters TR-600 are designed to catch larger particles when used in combination with filters for the 3M Versaflo Powered Air Turbo Unit TR-600 Series. The Versaflo Pre-Filters can help to extend the filter life of a powered air respirator

- For use with Versaflo TR-600 Series filters and Powered Turbo Air Unit
- Captures large particles that could otherwise clog filters
- Extends the life of filters
- Pack 10
