

Deb Stokoderm Sun Protect 50 Pure Cream

Product Images

Description

The Deb Stokoderm Sun Protect 50 Pure Cream offers broad spectrum UVA and UVB protection. The Sun Protect 50 Cream also provides protection to those exposed to UVC rays through industrial tasks, such as arc welding

- Perfume-free with an ultra-sensitive formula to suit those with sensitive skin
- Water and sweat resistant, ideal for outdoor workers
- Silicone free
- Clinically proven to improve the skin's hydration
- Absorbs quickly into the skin, does not leave a greasy residue
- Protects against UVA, UVB and UVC rays (does not replace PPE in industrial applications)
