

QTEK Stencil Clean Fluid and Spray

Product Images

Description

QTEK's Stencil Clean is a fast drying, odour free solution, formulated to quickly remove solder paste from all related machinery and equipment such as stencils, squeegees and PCB's

- Stencil Clean fluid
- Highly effective cleaning properties
- Extremely effective on solder paste residue
- Evaporates quickly to leave surfaces clean and dry
- Typically used for under-screen cleaning, misprinted PCB's, spatulas, printer interiors etc
- Colourless
- Available in 1L spray and 5L fluid containers
- Manufacturing process is in compliance with ISO 9001 Quality systems
