

Pelsafe Cut-Resistant Palm Coated Gloves

Product Images

Description

Pelsafe Cut-Resistant Palm Coated Gloves have high cut, abrasion, and tear resistance for all-round protection with general and precision application. Pelsafe Cut-Resistant Palm Coated Gloves have a close, contoured fit that allows for great flexibility and dexterity

- Ideal for precise handling applications where cut resistant protection is required
- Level D cutting resistance
- Glove contours snugly to the hand due to advanced, inward knitting technique
- Polyurethane coating gives excellent abrasion and tear resistance
- Made from technologically advanced fibres for maximum protection and breathability
- Excellent stitch quality at seams for durability
- Low linting
- Elasticised knitted wrist
- HPPE liner material
- EN 388: 2016 4X43D
