

TexWrite Post-It Pads

Product Images

Description

TexWrite® TexNotes notepads are the ideal choice for taking notes and recording data in a cleanroom environment. With their compact size and low residue adhesive, TexNotes from Texwipe are the optimum choice for critical environments

- Optimal way to add notes to documents, reports and work surfaces in a cleanroom without risk of damage or contamination
- Features Texwipe's unique temporary adhesive strip
- Low contamination, polymeric elastomer allows TexNotes to be attached and removed without the high residue associated with many adhesives
- Low particle generation
- Low ionic contamination
- Cleanroom packaged
- Dimensions: 76mm x 102mm
- Box of 10 pads (72 sheets per individual pad)
