

Skytec Torq Cyclone Gloves

Product Images

Description

The Skytec Torq Cyclone Gloves are dual coated, fitted, flexible nitrile gloves with moulded TPR protection to ensure dexterity without sacrificing protection. The Torq Cyclone Gloves feature TPR protection zones to protect the wearer from impact and crush forces

- Dual nitrile coating technology provides resistance to oils, hydrocarbons and greases
- Nitrile sandy finish on palms for excellent grip in wet and oily conditions
- Flexible, moulded TPR protection zones on knuckles, fingers, thumbs and backs of hands protect from impact and crush forces
- TPR zones sewn into 13-gauge nylon liners for longevity
- Elasticated knitted wrists
- Suitable for: pipe handling, drilling, construction, fishing, tubing, cementing transportation, cargo handling, assembly, material sorting and glass handling
- CE CAT II
- EN388:2016 4131XP
- ANSI/ISEA 138
- Available in sizes M - 2XL
