

Leo Workwear Hi-Vis Cargo Trousers

Product Images

Description

The Leo Workwear Hi-Vis Cargo Trousers are a practical, hard-wearing garment, constructed from a durable poly/cotton blend with a highly reflective Retromax tape on the legs. The Hi-Vis Cargo Trousers have several pockets and internal knee pad pockets to allow for the addition of knee pad pockets

- Quadruple stitched Retromax premium reflective tape ensures the wearer is visible in low light
- Cargo style leg pockets featuring improved shape and reflective tipping
- Back pocket with reflective tipping
- Ergonomic design at the knees for optimum movement
- Internal knee pad pockets
- Triple stitched main seams for durability
- 7 belt loops
- D-ring tethering point
- Constructed from a poly/cotton durable fabric blend (280GSM), with a water and stain repellent finish
- Available in Yellow/Navy or Orange/Navy
- ISO 20471 Class 1 compliant
