

Desco Combo Tester X3

Product Images

Description

The Desco Combo Tester X3 with 10MM Adapter and Stand determines if operator's personnel grounding devices are functioning correctly. The Combo Tester X3 can simultaneously test wrist straps and footwear in less than 3 seconds

- Wrist strap limits 750 kilohms to 10 megohms, footwear limits 750 kilohms to 35 megohms
- Solid-state test switch with no moving parts
- Maintains accuracy of tests and extends the lifetime of the tester
- Split foot plate to test foot grounders / ESD shoes – tests both foot grounders independently at the same time
- 30 volt test signal
- Relay for use with automatic doors or other locking systems
- Can be used as one of the tools to fulfil EN 61340-5-1 Compliance verification requirements
