

X-Acto Replacement Blades

Product Images

Description

The X-Acto XAC624 Replacement Blade is an excellent deburring, stripping and gasket cutting blade. The X-Acto Replacement blade is designed with a razor sharp, tapered edge and an ultra-fine tip, which helps clear edges and tough corners

- Designed for an extended life and optimum performance, with oxidized blades to preserve the blade's edge and prevents rusting
- Pack of 100
- Also available in a pack of 5 blades
- Compatible with Handle numbers 2 and 5
- Suitable for:
 - Plastics
 - Hard and soft woods
 - Linoleum
 - Rubber
 - Foam
