

Unigloves Diamond Grip Orange Nitrile Gloves

Product Images

Description

The Unigloves Diamond Grip Orange Nitrile Gloves are an ultra-heavyweight, multi-purpose disposable glove, both highly durable and comfortable to wear. With a latex-free design, the Orange Nitrile Gloves offer diamond textured palms and fingers for improved grip

- Designed with high-quality nitrile that offers puncture and chemical resistance as well as conforming to the hand for optimum comfort while wearing
- Beaded cuff provides extra strength and helps stop liquid roll back
- Diamond textured palms and fingertips for enhanced grip in wet or oily conditions
- Touchscreen capability allows the wearer to use mobile/tablet displays without removing the gloves
- Silicone-free and latex-free formulation
- Ambidextrous fit
- Colour: Orange
- Non-sterile
- Suitable for use in a range of industries and applications, such as Automotive, Chemical Manufacture & Use, Construction, Floristry & Gardening, Laboratory Work and Painting & Decorating
- Pack of 100 or Case of 1000
- Available in sizes 7-10 (Small to X-Large)
- Food approved
- AQL: 1.5
- EN 374-1, EN 374-2, EN 374-4, EN 374-5
