

Martor Maxisafe Knife

Product Images

Description

The Martor Maxisafe Knife is one of the top safety knives, with fully automatic blade retraction and an ergonomic, robust handle constructed from high-quality plastic. The Maxisafe Knife is suitable for both right and left handed use, making it an ideal addition to any tool box.

- Automatic safety knife with 3 sided slider
- Tool-less blade change
- 2-times usable blade
- Abrasion resistant
- Blade retracts automatically when your thumb is removed from the slider
- Ideal for work with cardboard (up to 3 ply), plastic strapping band, yarn, textile, felt, bagged goods, fleece, layers of foil or paper and tape
