### Certifications

### Logo

Due to the fabric's special properties, logo transfer printing is only possible with transfer type Loxy LP 157 and LP 277. Please contact customer service for further information. If logo print is added to the clothing, avoid dry cleaning as this can damage the print.

#### Logo placement:

- T-shirt logo. Special placement. Contact to discuss further

- Great protection with anti-static and flame-retardant properties.
- Modern, close fit with great freedom of movement.
- Long life, with flame retardant thread used in seams.
- Ribbed neck.
- Extra padding over the seam at the neck so the seam does not cause irritation.

### Technical info

Modern fit. Anti-static and flame retardant. Sewn with flame retardant thread. Round neck. Rib at neck. Neckband. Contrast stitching.
