Product Specification – Elastic Adhesive Bandage (EAB)

Product Information

REF: 450/451/452/453 Description: Elastic Adhesive Bandage-White Manufacturer: Reliance Medical LTD Address: West Avenue, Talke, Stoke-on-Trent, Staffordshire, ST7 1TL, United Kingdom. Licensed Markets: UK Characteristic: Latex-free. High traditional adhesive. Strongly woven for firm support. It can be applied directly to the skin or over Foam Under wrap, conforming to body and limb contours. Easily unwound, allowing increased tension, readily cut for quick application, hence most suited for sports and occupational injuries. Feathered edge and centre line guidance for even application. Indications: Designed to provide support for sprains, strains and minor aches. Main materials: 100% Cotton. Elastic material. Storage Conditions: Store in a cool, dry place.		T
